**Registered Charity No. 1103882**

## **Mid Season News**

**With 32 events already taken place this year will undoubtedly be a significant one for MTSFC but without your support the hundreds of Special Needs children and adults would not have had the fantastic days out that they have experienced. A huge thank you goes to all of you who have turned up, organised, fished, helped or just been there cheering on the work of MTSFC.**

**So many teachers and carers have made it known to us how much they appreciate the day, the work that goes into it and the quality and professionalism which shines through on all occasions. Many of them are amazed at what we are prepared to do to give them a good time and many participants go away with a lasting impression of the day. As has been said before, it is not just about fishing and for many participants it shows them a new outlook on life gives them a short time away from their environments and gives many a chance to succeed when otherwise they may have difficulty. We are sure that many of you have your own stories to tell and if you feel a literary moment come on please do take a few minutes to let us know about it. Some input on the different aspects of 'A day with MTSFC' would be very welcome for future newsletters and publications as well as letting us know what really goes on behind the scenes.**

**On the attached list of the remaining events for the year you will see that there are now 20 Branches of MTSFC and amongst them we are pleased to welcome Norfolk, Sussex, West Kent and East Kent for the first time this year. At the time of writing we are also actively talking to Bedfordshire as well and they will join us in 2010. So, Anglers, you have even more choice of fisheries and Counties to visit in the future as, don't forget, that once you have your CRB from us you will be very welcome to attend any of the events listed in any Branch. Just make contact with the organiser to book in and help us Catch some more Smiles from our many happy participants!**

**Please do your best to support our Organisers for the remainder of the season and we hope to see you on the banks somewhere.**

For a full list of these events please see the website at [www.mtsfc.org.uk](http://www.mtsfc.org.uk).
